# Celebrate your Birthday... TradeWinds style

Come celebrate your next birthday in style with one of our new themed parties. Join Captain RedBeard in our new RedBeards Buccaneer Bash or even take it to the next step in our action-packed Birthday Beach Adventure. Looking for a late night birthday blowout, try our new Teen Twilight Glow Party.

## **RedBeards Buccaneer Bash –**

During this three hour journey, you will begin with your friends and a map searching the massive twenty acre Tradewinds Island Grand Property in search of the exact treasure that will lead you back to RedBeard himself. Once confronted with RedBeard you will be faced with his stories of what and of when. After your time with RedBeard, you will enjoy our fresh Pizza Hut pizza and a personalized pirate birthday cake before heading off to an hour on our towering High Tide Slide in hopes that the other pirates won't find you and demand their treasure back.

## **Birthday Beach Adventure –**

During this three hour adventure of action packed water and sports mania, you will indulge yourself in the finest activities St Pete Beach has to offer. During your time at the Tradewinds Island Grand, you will be ripping up and down our towering High Tide Slide, soaking yourselves on our Splash Island WaterPark, and battling it out with your friends in your choice of some of our amazing organized sports games. To re-energize yourself, Pizza Hut will deliver some pizzas and a personalized cake before you head back to the beach as if it were your own personal playground.

## **Teen Twilight Glow Party –**

During this three hour party, our teen glow fun begins in the twilight hours with our last available hour of the High Tide Slide made available for your pleasure. From there, your group will have exclusive use of our Bungee Trampoline for an hour before meeting for Pizza Hut pizza and a personalized cake. Afterwards, everyone will glow in the dark in a match of NightSpiker Volleyball.
